Teacher script

Today we are learning how to show progress. First, listen to the model. Then practise with a partner. Use the word bank and sentence frame. I will check accuracy, confidence and independence. Mistakes are evidence for our next step, not failure.

Differentiation and adaptation

Support: reduce choices, provide sentence starters, replay listening, model one example.

Core: complete the main task with peer rehearsal and teacher feedback.

Extension: add reasons, examples, comparison, register control or longer output depending on level.

Assessment evidence

Use auto-marked quiz + teacher-scored speaking/writing task. Record accuracy, fluency, range, interaction and task completion. Route learners to remediation if score is below 70%; unlock extension above 90% with low prompt support.
