

A2-M07 Teacher lesson plan: Media, technology and digital citizenship

London English Academy - British English - Global Learning

Resource identity

Course: Everyday English

Level: A2

Module: A2-M07 - Media, technology and digital citizenship

Resource type: Teacher lesson plan

Adaptive use: core/remediation/extension depending on score

Learner expectation: connected simple sentences, familiar topics, guided questions and controlled practice.

Learning outcomes

By the end of this module, learners can write emails and forms using object pronouns within the theme of Media, technology and digital citizenship.

Learners can understand and use key vocabulary: devices, apps, online behaviour, news, opinions, media, technology, digital.

Learners complete a spoken or written product that can be scored against the CEFR skill focus.

Five-lesson sequence

Lesson 1: Activate prior knowledge, introduce model language, check meaning with visuals.

Lesson 2: Controlled grammar and vocabulary practice with pair checking.

Lesson 3: Reading/listening input with gist and detail questions.

Lesson 4: Speaking/writing production using frames and feedback.

Lesson 5: Project, review quiz, reflection, and adaptive next step.

Teacher script

Today we are learning how to write emails and forms. First, listen to the model. Then practise with a partner. Use the word bank and sentence frame. I will check accuracy, confidence and independence. Mistakes are evidence for our next step, not failure.

Differentiation and adaptation

Support: reduce choices, provide sentence starters, replay listening, model one example.

Core: complete the main task with peer rehearsal and teacher feedback.

Extension: add reasons, examples, comparison, register control or longer output depending on level.

Assessment evidence

Use auto-marked quiz + teacher-scored speaking/writing task. Record accuracy, fluency, range, interaction and task completion. Route learners to remediation if score is below 70%; unlock extension above 90% with low prompt support.
