

Pre-K phoneme awareness games

London English Academy - British English - Global Learning

Resource identity

Course: Structured Literacy

Level: Pre-K

Module: EY - Pre-K phoneme awareness games

Resource type: phoneme awareness games

Adaptive use: core/intervention/parent support

Learner expectation: age-appropriate and scaffolded communication.

Purpose

This phoneme awareness games supports pre-k phoneme awareness games through short, practical, child-friendly learning routines.

How to use

1. Model the routine with one example.
2. Let the learner try with support.
3. Give immediate praise and one correction.
4. Record accuracy, prompt level and confidence.
5. Repeat or extend based on evidence.

Ready-made content

Card 1: sounds

Card 2: words

Card 3: pictures

Card 4: classroom language

Assessment note

Mastery is shown when the learner responds correctly with low prompt support across two opportunities.

Prepared for London English Academy by Teacher Jibril Moruthoane. Version 1.3, 2026-06-08.
