A2-M01-L01 - Daily Life and Social Communication: Grammar Lesson 1

CEFR Level: A2

Objective: Learners can describe, compare and exchange simple information in a grammar task about travel.

1. Learn

In this lesson you will practise grammar for daily life and social communication. You will learn useful language connected to travel and practise past simple. By the end, you should be able to complete a short real-life task and explain your answer clearly at A2 level.

2. Teaching Focus

Focus language: past simple. Vocabulary theme: travel. The teacher introduces the target language in a meaningful context, models pronunciation and form, checks meaning with concept questions, and moves learners from controlled practice to freer use. At A2, learners should describe, compare and exchange simple information with increasing independence. The lesson should use board examples, short teacher modelling, pair practice, feedback and a final communicative task.

3. Examples

- Example 1: I can use past simple to talk about travel.
- Example 2: The learner gives a A2 answer with clear meaning and correct key language.
- Example 3: The learner checks, improves and repeats the answer after feedback.
- Example 4: The learner uses one linking phrase or support phrase suitable for A2.

4. Interactive Practice

- Choose the best sentence using past simple.
- Match the travel phrase to its meaning.
- Build a complete answer for the lesson task.

5. Speaking Task

Speak for 60-120 seconds about travel. Use at least two examples and one reason.

6. Writing Task

Write a short A2 response about travel. Include the target language: past simple.

7. Homework

Write or record five sentences about travel using language from this lesson.
